Cleveland Metroparks – Big Creek Reservation
Meet at Snow Road Picnic Areas Creekside Shelter
off Big Creek Parkway south of Snow Road in Parma Heights

We'll start with some jambalaya and other treats at the lovely Creekside Shelter before heading south on the all-purpose trail.

City of Parma Heights and Cleveland Metroparks officials will be joining us to talk about the Big Creek Reservation's natural resources and the new connector trail linking the reservation with the heart of the city.

We'll supply the parade beads but please dress for the weather (especially footwear). Welcome: Children with adults; dogs on leashes.

Plan for a leisurely hour+ walk (6000+ steps). There's plenty of trail for those wishing to walk longer.
